Moorlands

Country Guest House

Moorlands is an attractive Georgian house near the centre of Hutton village and standing in about 1½ acres of mature landscaped gardens and paddock. The village lies under the steep wooded slopes of the western Mendips, where excellent walking presents sea views as far as Exmoor and the hills of South Wales.

The house is centrally heated and all bedrooms have hot and cold water. Five rooms have en-suite facilities - one of them situated on the ground floor. There is a bathroom and separate WC on the first floor. Our dining room and comfortable lounge look out on the delightful garden with its peaceful green backdrop of wooded hillside and church tower.

An excellent freshly prepared full English breakfast is included and tea and coffee making facilities are provided in all rooms. Wi-fi is also available.

There is ample car parking space in the grounds and the house is usually open at all times during the day.

Children are most welcome here. Cots and high chairs are available. The gardens have a slide and other play facilities.

Hutton is a good centre for 'days out', Weston-super-Mare with its safe sandy beaches and traditional holiday attractions including the ultimate indoor theme park the Grand Pier. Bath, Bristol, Cheddar, Wells and 'King Arthur's' country around Glastonbury are all within an hours' drive, or can be easily reached by public transport.

There is a wide choice of outdoor pursuits, all within easy reach, including several golf courses, good fishing and angling (fly, coarse and sea), adventure caving, the Avon dry ski slope, an excellent sports centre...and Weston's famous beach donkeys!

Moorlands is not a hotel as such, it is our family home; but it is a large house - it has eight bedrooms - and we receive guests like friends and try to make them feel at home and relaxed.

We are confident that you will have an enjoyable stay with us in Somerset. It is the perfect place for your holiday, or for shorter breaks. Come and stay with us in Spring or Autumn, when the countryside is particularly beautiful. We recommend, for example, November the season of the spectacular and unique illuminated Winter Carnivals, held in towns across Somerset, including Weston.

I hope you have enjoyed reading about Moorlands.
